# 2023 Program Guide

# WINTER

Doon Pioneer Park Community Centre

150 Pioneer Drive,

Kitchener ON

N2P 2C2

519-741-2641

Monday-Thursday: 9am-9pm

Friday-Saturday: 9am-5:30pm

Sunday: Closed

**ONLINE REGISTRATION STARTS**  
**TUESDAY, DECEMBER 13<sup>TH</sup> AT 8:30 AM**  
Register online at [www.kitchener.ca/activekitchener](http://www.kitchener.ca/activekitchener)

**Refund Policy**

A 100% refund will be given if you withdraw from a program more than seven (7) days before the first day of program. Refunds will only be given in the same form as payment made. Cash refunds over \$20.00 will be refunded by cheque. Please note: If a credit is left on an account, the credit will expire after three (3) years. **NO REFUND will be given if a request to withdraw is made less than seven (7) days prior to the first day of program.**

**Transfer Policy**

Requests to transfer programs must be made prior to the third class taking place and will be based on program availability. Transfers after the third class must be approved at the program supervisor's discretion.

**Registration Information**

All programs and schedules can be subject to change in date, time, fee and location. Programs will be cancelled if registration is insufficient. No registration fees for accessibility support workers. Fee Assistance is available to those who require it. This must be arranged at least one week prior to registration. For more information, please call the DPPCC at 519-741-2641

**Inclusion Support**

Inclusion workers will support and provide program accommodations for participants in City of Kitchener programs. An inclusion Worker may assist by providing program modifications and adaptations, redirection for safety reasons, opportunities for sensory or emotional breaks, and assisting with personal care need. Space is limited based on staff availability. Families will still need an inclusion Membership to register for support. Application can be found at Application Form: Inclusion Services <https://www.kitchener.ca/en/recreation-and-sports/inclusion-support.aspx>

**Leisure Access**

If program fees are preventing you or a member of your family from joining a city program, fee assistance may be available. You could qualify for \$300 per family member. You can apply online: <https://www.kitchener.ca/en/recreation-and-sports/leisure-access.aspx>

**Free Community Space**

Visit [www.kitchener.ca/bookfreespace](http://www.kitchener.ca/bookfreespace)

**Book a gym** allows you to reserve gym space for 45 minutes, for up to 10 people to enjoy your favourite physical activity. Spaces are available on a first-come, first served basis. Each group can book once every seven days. If there are no times listed, that means all the times are booked for that day (Must be 18 plus to book a gym. Participants 16 and under must be accompanied by an adult 18+). Equipment is not supplied, you must bring your own.

**Book a community room** to host your next book club or neighbourhood project meeting!

Multi-purpose rooms at city facilities can be reserved for free, for up to 2 hours and as far as 30 days in advance. Spaces are available at all centres on a first-come, first-served basis. If there are no times listed, that means all the times are booked for that particular day.

Description	Ages	Day/Time	Start Date/ Weeks	Cost	Barcode
<p><b>LEGO Wedo 2.0 Robotics City Bots</b> Cities grow as a result of human development. It is a difficult and important task to provide life in the city. The primary challenges are ecology, life safety, modern construction, agriculture, and efficient use of natural resources. Students will learn how to solve these problems using STEM methods such as robotics and programming. In the CityBots course, you will build robots to help make cities more comfortable, cleaner, and safer. You will walk down the breathtaking path of creating urban civilizations near future. And it is your children who will construct this future!</p>	4-6 Y	Wednesday 4:30-5:25pm	01/11/23 5 weeks	\$79.10	102840
<p><b>LEGO Wedo 2.0 Robotics Dino Park</b> The Dino Park course gives a unique opportunity to revive the prehistoric world in your classroom! Introduce children to the classification of dinosaurs, when they lived and why they disappeared, learn more about the periods of the prehistoric world and the history of paleontological discoveries, learn about the food chain of those times and the way of movement of living beings? Give your children an unforgettable journey into the prehistoric world.</p>	6-8 Y	Wednesday 5:30-6:25 pm	01/11/23 5 weeks	\$79.10	102841
<p><b>Lego-Mindstorm Inventor Robotics</b> Lego's Mindstorms kits take the boundless possibilities of Lego blocks (and the mechanical potential of the Technic system) and add robotics components like servo motors, sensors, and a brain you can program. Robot Inventor uses drag-and-drop coding language based on Scratch and Python to support those new to robotics. Over 50 new challenges and fun activities to help all abilities build coding confidence in a fun, exciting way.</p>	8-11 Y	Wednesday 6:30-7:25 pm	01/11/23 5 weeks	\$79.10	103276
<p><b>LEGO Spike Prime Essential Robotics</b> City Bots - Develops your students' understanding of computer science as they create sequences and loops, decompose problems, and improve programs to meet specific needs. They'll build taxis, buses, helicopters, River Ferry and many other designs using Lego Spike prime essentials kit. Your child will recount experiences using relevant facts and descriptive details. This will help them to improve their communication skills.</p>	4-6 Y	Wednesday 4:30-5:25pm	02/15/23 5 weeks	\$79.10	102837

Child/Youth Technology Continued					
Only registered participants are allowed in program rooms. Non-marking indoor shoes must be worn for all sport/fitness activities.					
Description	Ages	Day/Time	Start Date/Weeks	Cost	Barcode
<p><b>Lego Spike Prime – Science Connections</b>            Science Connections introduces your students to Earth, Physical, and Life Science topics, in which they'll explore how people and animals understand and use the world around them. They'll experience and explain how light reflects from objects and enters the eyes, which allows the object to be seen. They'll explore how animals use internal and external structures to live, grow, and survive in the world. They'll learn about energy from natural resources and how their use by humans affects the environment.</p>	6-8 Y	Wednesday 5:30-6:25pm	02/15/23 5 weeks	\$79.10	102838
<p><b>3D Modelling/Printing</b>            Turn your ideas into reality. Introduce your child to the magic of creation that starts with their creative ideas. 3D modelling translates an idea into a computer-aided design. The 3D printer takes the design and prints, adding materials layer by layer to form a shape. Creating something has never been easier; it's almost magic! From printing your own toys to a colourful model house shaped like a dinosaur - the only limit is your imagination.</p>	8-12 Y	Wednesday 6:30-7:25 pm	02/15/23 5 weeks	\$79.10	103278

FAMILY OUTREACH

Assists children and families to access services in their own neighbourhood. Please schedule a time to meet with our outreach worker.

A fee subsidy is available for qualified families.</p>	5-7 Y	Tuesday 4:30-5:30p	01/17/23 6 weeks	\$27.00	102941
<p><b>Heart for Art</b> Heart for Art is a hands-on art program where young people get to try their hand at different mediums of visual arts and get the opportunity to share their thoughts and ideas and use their creative voice. See how creative arts can spark their ability to think and imagine, set goals and build their confidence. All supplies are included through sponsorship from Heffner Lexus and Toyota.</p>	8-11 Y	Tuesday 6-7:30p	01/17/23 6 weeks	\$45.00	103149

# Support Links

Connect to our links below by opening your camera application on your phone, get the correct QR code in the camera frame and a yellow link will appear.  
Press on that link and it will direct you to the corresponding page.
